

## Coursework Self-evaluation Algebraic Geometry Coursework 2

This self-evaluation is **OPTIONAL** and will not affect your coursework mark.  
If you answer some or all of these questions, it will enable me to give feedback which is better suited to your individual needs.

Please submit the self-evaluation form along with your coursework, underneath the standard UG office cover sheet.

What do you think was the thing you did best in this coursework?

What did you find hardest in this coursework?

What 2 questions would you like me to answer about this coursework?

1)

2)
